* These courses are also provided through the delivery of the Level 5 Major Award in Security Studies (5M2110) which is deemed equivalent by the PSA for the purpose of obtaining a Security Guard (static) licence and also for obtaining a Door Supervisor (Licensed Premises) licence but only where the candidate has successfully completed the optional Door Security Procedures module.

**This is provided through the Security Guarding course (4N1118) and also through the delivery of the Level 5 Minor module in Retail Security (5N1777) which is deemed equivalent by the PSA for licensing purposes.

Please note: The PSA does not run training courses, award qualifications or provide funding. The list above shows training providers validated by Quality & Qualifications Ireland (QQI) at the time of publication. This does not purport to be a definitive list and there may be other training providers validated that are not featured here. The qualifications linked to security guarding or door supervisor licensing can only be achieved through validated training providers. The information contained in the table above is correct to the best of the PSA's knowledge at the time of publication.

Please contact QQI if you wish to check that your training provider is validated @ www.qqi.ie or tel. 01-905 8100. **The PSA does not approve or vet training providers directly.**
